---

Parent and family engagement is vital to the success of students and our schools! The following websites provide free resources for parents and families. Some of these resources are available in both English and Spanish.

### [Wonderopolis](#)

Wonderopolis is a place where natural curiosity and imagination lead to exploration and discovery in learners of all ages. Each day, we pose an intriguing question—the Wonder of the Day®—and explore it in a variety of ways.

### [Storyline Online—Screen Actors Guild](#)

The SAG-AFTRA Foundation’s children’s literacy website, Storyline Online, streams imaginatively produced videos featuring celebrated actors.

### [Read.gov—The Library of Congress](#)

The Center for the Book in the Library of Congress invites people of all ages to discover the fascinating people, places, and events that await you whenever you read. (Books online)

### [Learning Heroes](#)

Who can be a learning hero? Every parent. This website helps parents and families to support learning at home with simple actions to help your children reach their goals.

### [GreatSchools.org](#)

GreatSchools is the leading national nonprofit empowering parents to unlock educational opportunities for their child. Find information about your schools, academic worksheets, and other parent supports.

### [Khan Academy](#)

Khan Academy offers exercises, quizzes, and tests so students can practice and master skills, as well as instructional videos to help students learn or review materials.

### [Education.com](#)

A learning library of 30,000+ digital and printable resources that allow kids to learn about any topic they are curious about.

### [PBS for Parents](#)

Free media, activities, and articles that support learning for kids ages 2-8.

## Maury County Public Schools

501 West 8<sup>th</sup> Street, Columbia, TN 38401  
(931) 388-8403

---

### [National Geographic](#)

Learning activities, games, and lessons in social studies, geography, science, and more for kids in grades K-12.

### [DREME \(Development and Research in Early Math Education\) Family Math](#)

Provides parents, caregivers, and young children with activities to engage each other in fun early math learning at home and on-the-go through the support of professionals serving families.

### [iCivics](#)

Free online resources to engage students in meaningful civic learning and how our government works by experiencing it.

### [Girls Who Code](#)

Free computer science activities for girls to do at home to become proficient in technology and coding.

### [Colorin Colorado! \(ELL Resource\)](#)

Free resources, information and activities for Spanish-speaking parents and educators of English language learners (ELL).

### [Guia Infantil \(Spanish\)](#)

Free articles and tips for parents to support their child's education and well-being. This site and all resources are in Spanish, but some items can be translated to English.

### [Unite for Literacy](#)

Free, multilingual, online books with narration in up to 43 different languages to help families build a daily habit of reading and support language and literacy development.

For additional at-home resources on many other topics like social and emotional learning, staying active, health needs, parenting, mental health supports, financial assistance, and meeting the needs of children with disabilities, click [here](#).

Please contact the Federal Programs Office of MCPS if these links are not working or if you have any questions about the resources provided.
